Zlatko Mateša
Predsjednik
Hrvatskog
olimpijskog odbora

Dragi mladi sportaši i sportašice,

pokazalo se da su dosadašnja izdanja Europskog olimpijskog festivala mladih (EYOF) poslužila za afirmaciju mnogih budućih velikih sportaša i sportašica, pa je i 16. izdanje ljetnog EYOF-a u Banskoj Bystrici prilika za dokazivanje sportaš(ic)a mlađih uzrasta. Osvajači olimpijskih medalja, poput Sandre Perković, Duje Draganje ili Tina Srbića, te brojni olimpijci i sportaši koji su kao seniori ostvarili sjajne rezultate na europskim i svjetskim prvenstvima, prva su iskustva na višesportskim natjecanjima stekli upravo na EYOF-u.

Vjerujem da naši sportaši i sportašice neće zaboraviti promicati - u svakom trenutku, a ne samo na natjecanjima - duh olimpizma, prijateljstva, fair playa i tolerancije te da će dostojanstveno prezentirati sebe i hrvatski sport u cjelini.

U ime Hrvatskog olimpijskog odbora i osobno ime želim svima puno sportskih uspjeha i osobnog zadovoljstva.

Zlatko Mateša
Croatian Olympic
Committee President

Dear young athletes,

the 16th European Youth Olympic Festival in Banska Bystrica is an opportunity for young athletes to prove themselves in terms of sports. It turned out that at EYOF the great athletes of tomorrow are affirmed. The Olympic medalists Sandra Perković, Duje Draganja and Tin Srbić, many Olympians and athletes who, as seniors, achieved great results at the European and World championships, gained their first experiences in multi-sports events exactly at EYOF.

I believe that, besides the sports competitions, our male and female athletes will not forget - at all times - to promote the Olympic spirit, friendship, fair play and tolerance, and that they will present themselves and all Croatian sports with dignity.

On behalf of the Croatian Olympic Committee and myself, I wish you all a lot of sports success and personal satisfaction.

Siniša Krajač
Glavni tajnik
Hrvatskog
olimpijskog odbora

Dragi sportski prijatelji,

za mnoge mlade sportaše i sportašice Europski olimpijski festival mladih je prvo stvarno ogledalo međunarodne uspješnosti i Hrvatski olimpijski odbor je iznimno ponosan na 76 sportaša i sportašica koji će nastupiti na 16. ljetnom EYOF-u u Bansknoj Bystrici.

Dosadašnji uspjesi mladih hrvatskih sportaš(ica) na EYOF-u, gdje se natječu u vrlo jakoj konkurenciji sa svojim europskim vršnjacima, potvrda su da je HOO - sa svojim razvojnim programima za mlade sportaše - na pravom putu. Hrvatski olimpijski odbor i dalje će ih podržavati na njihovu putu do statusa vrhunskih sportaša, budućih olimpijaca.

Duboko vjerujem da će se mladi hrvatski sportaši i sportašice u korektnom nadmetanju u osam sportova na EYOF-u u Bansknoj Bystrici potvrditi kao vrijedan potencijal hrvatskog sporta za budućnost.

Siniša Krajač
Croatian Olympic
Committee
Secretary General

Dear sports friends,

for many young athletes the European Youth Olympic Festival is the first real mirror of their international success and the Croatian Olympic Committee is extremely proud of the 76 athletes who will participate in the 16th Summer EYOF in Banska Bystrica.

Previous achievements of young Croatian athletes at EYOF, where they compete in a very tough competition of their European peers, are the confirmation to the Croatian Olympic Committee that it is - in terms of its development programs for athletes - on the right track. NOC of Croatia will continue to support them on their way to the status of top athletes, future Olympians.

I deeply believe that young Croatian athletes will compete fairly in eight sports at the EYOF in Banska Bystrica and confirm themselves as a valuable potential of Croatian sports for the future.

The Croatian Olympic Committee, the highest sports body in Croatia, was founded in Zagreb on September 10 1991. The Executive Board of the International Olympic Committee granted the Croatian Olympic Committee provisional recognition on January 17 1992, thus including it in the Olympic family and making it possible for Croatian athletes to participate under the Croatian flag in the Olympic Winter Games in Albertville and in the Games of the Olympiad in Barcelona that very same year.

Members of the National Olympic Sports Federations are national sports associations (44 of them Olympic and 42 National Non-Olympic Sports Federations), 20 county sports associations and the City of Zagreb and 10 associations and institutions of interest for Croatian sport and the activities of the Croatian Olympic Committee.

The Croatian Olympic Committee is a full member of the Association of National Olympic Committees (ANOC), the European Olympic Committees (EOC), the International Committee of Mediterranean Games (ICMG) and the European NonGovernmental Sports Organizations (ENGSO).

The Croatian Olympic Committee is the founder of the Croatian Olympians Club (1993), the Croatian Olympic Academy (1996), the Sports Arbitration Council and Sports Arbitration Tribunal (1999), and the co-founder of the European Fair Play Movement (1994), the Croatian Athletes Foundation (2006), the Croatian Fair-Play Committee (2006), the Female Sports Coordinators Network (2006), Career Center for Athletes (2022) and a number of other organizations belonging to the Croatian and international Olympic movement. HRVATSKE MEDALJE NA LJETNOM EYOF-u

CROATIAN MEDALS AT THE SUMMER EYOF (by sports)

Europski olimpijski festival mladih praznik je olimpizma među mladim sportašima čije su sportske karijere tek na početku. Riječ je o jedinstvenom višesportskom događaju sportašica i sportaša u dobi od 14 do 18 godina. Organiziraju ga Europski olimpijski odbori (EOO) pod pokroviteljstvom Međunarodnog olimpijskog odbora (MOO). Osnovan je na inicijativu Jacquesa Roggea, tadašnjeg predsjednika EOO-a, pod nazivom Olimpijski dani europske mladeži (EYOD) 1990. godine.

Europski olimpijski festival mladih održava se svake druge neparne godine i u istoj godini ima ljetno i zimsko izdanje. Prvi EYOF održan je u Bruxellesu 1991. godine, kada je na njemu sudjelovala 31 mlada olimpijska reprezentacija.

Hrvatski sportaši prvi put su sudjelovali na 3. ljetnom EYOF-u održanom u Valkenswaardu, Nizozemska, 1993.

The European Youth Olympic Festival is a celebration of Olympism among young athletes, whose sports careers are just starting. It is a unique multi-sport event of young athletes (aged 14 to 18) organized by the European Olympic Committees under the auspices of the International Olympic Committee. It was founded upon an initiative by Jacques Rogge, then EOC President, under the title European Youth Olympic Days (EYOD) in 1990.

The European Youth Olympic Festival takes place every two years and has both a summer and a winter edition, which are held in the same year. The first EYOF was held in Brussels in 1991, when 31 young Olympic national teams participated in it.

Croatia's athletes first participated in the 3rd Summer EYOF held in Valkenswaard, the Netherlands, in 1993.
